

Products & Deals

Connect Qualified Buyers to Your Products

Showcase your Products & Deals every week as a cost-effective way to get the word out about your new, featured or sale product. An image of your product and a short description accompany two interactive links that allow readers to gain more information by visiting your product page or shopping cart.

Benefits include:

- **Great Visibility/Audience:** Products & Deals will reach industry professionals via email.
- **High Share of Voice:** Limited inventory.
- **Direct Response:** Leads and click-throughs are tracked. Monitor your own sales via promo codes.

DISTRIBUTION: 40,000
